MONTHLY REVIEW OF AFDC

APPLICATIONS RECEIVED

During the month of February, the Department of Human Services received 4,686 applications for Aid to Families with Dependent Children, a decrease of 833 (15.1 percent) from the number received during January. In comparison with the number of applications received during February of the preceding year, there was an increase of 312 applications (7.1 percent).

This number was 50 percent of the total applications on hand It compares with 46.1 percent of the total number on hand for which investigations were completed during the preceding month and 47.8 percent for which investigations were completed during the same month of the preceding year. Three thousand three hundred and twenty-three (65.5 percent of those on whose requests for assistance final decisions were made) were found to be eligible for assistance during February, in comparison with 3,063 applicants (65.7 percent of those investigated) approved the preceding month and 2,985 applicants (66.5 percent of those investigated) approved the corresponding month of last year. The number approved during the current month represented an increase of 8.5 percent over the number approved in January, and an increase of 11.3 percent over the number approved in February 1985. The rate of approvals for the AFDC Program decreased from the preceding month by 0.2 percent and if a comparison is made with the corresponding month of last year, the rate of approvals showed a decrease of 1 percent.

Money payments for AFDC during February amounted to $9,997,668. This was an increase of 3.2 percent over the amount of money payments for January, and an increase of 19.9 percent over the money payments for February of the preceding year. Payments were made for 65,715 families with 121,287 children at an average grant of $152.14 per family and $82.43 per child.
